U druga Women on Wine/WOW već četvrtu godinu zaredom organizira Pink Day, Međunarodni festival ružičastih vina. Ove će se godine Festival održati 19. ožujka u predivnom prostoru Muzeja Mimara te će okupiti više od sedamdeset najboljih proizvođača ružičastih vina i pjenušaca iz Hrvatske i inozemstva. Uz lagana i zavodljiva rosé vina, posjetitelji će moći kušati i ekstra djevičanska maslinova ulja petnaestak odabranih

For four consecutive years, the Women on Wine/WOW Association has been organizing Pink Day, the International Festival of Pink Wines. This year, the festival will take place on March 19 at the beautiful Mimara Museum. It is expected the event will attract over 70 of the best Croatian and international producers of pink wines and sparkling wines. Alongside the light and seductive rosé wines, the visitors will be able to taste extra virgin olive

maslinara na Festivalu – Green in Pink, koji se u hrvatskom prijevodu romantično zove „Zeleno, što volim zeleno“. Kao i svake godine, festival već tradicionalno ima svoj humanitarni karakter, stoga će se na sam Dan žena, 8. ožujka, u prostoru vidikovca Zagreb 360° (Zagreb Eye) održati humanitarna akcija pod nazivom Pink Tuesday s početkom u 18 sati. Ove godine nositelj je humanitarna organizacija Dora sa svojom akcijom „Budi primjer“, koja obilježava već 25 godina djelovanja na području skrbi o djeci i mladima. Prikupljat će se donacije za financijsku potporu mladoj djevojci s izvanrednim akademskim uspjehom. Program vodi Ljiljana Vinković, a uveličat će ga nastupi sopranistice Antonele Malis te harfistice i solistice Marije Mlinar. Uz Udrugu WOW podršku akciji dali su Lions Club „Zrinjevac“ i organizacija poslovnih žena Zonta klub Zagreb. Za sve posjetitelje Pink Daya pripremljena su brojna iznenađenja, edukativne radionice, susreti s najznačajnijim vinarima i maslinarima te nagradna igra u suradnji s Porsche Inter Autom Hrvatska. Ove godine „pink“ ozračje će biti sjajnije nego ikada, stoga svakako rezervirajte 8. ožujka za humanitarno djelovanje i koncert, a 19. ožujka za Pink Day i sebi najdražu nijansu ružičaste boje.

oils made by around 15 of select olive oil makers at the event entitled Green in Pink or, in Croatian, Zeleno, što volim zeleno (Green, How Much I Love Green). By tradition, the festival is humanitarian in nature: on March 8, International Women's Day, the Zagreb 360° (Zagreb Eye) observation deck will host a charity, Pink Tuesday, starting at 6 PM. This year the humanitarian effort is focused on the charity organization Dora and its initiative Budi primjer (Be an Example), which has marked 25 years of working in the field of children and youth care. At the event, donations will be collected for a young girl who is an amazing student but needs financial support. The program will be hosted by Ljiljana Vinković, while soprano Antonela Malis and harpist and soloist Marija Mlinar will perform on the occasion. Alongside WOW, the initiative has been supported by the Zrinjevac Lions Club and Zonta Club Zagreb, an organization of local businesswomen.

A number of surprises await Pink Day visitors, including educational workshops, get-togethers with the most important winemakers and olive growers, and a prize-winning game in collaboration with Porsche Inter Auto Hrvatska. This year, the pink atmosphere will be better than ever so make sure you pencil in March 8 for charity work and a concert, and March 19 for the Pink Day and your favorite shade of pink.
